### St Monica School Uniform

Pregrade, Grade 1 and Grade 2 students are to wear the PE kit all year round. From Grade 3 upwards, students are to wear their uniform or their PE kit according to time-table. The PE Kit is to be worn on days when students have the following subjects: PE, Religion Through Sport, Drama and Musical Theatre.

During colder months, the burgundy puffed jacket is to be used with the uniform. From this scholastic year (2019-2020), the navy-blue padded jacket (to be bought from FullMarks Sporting as per details below) is compulsory with the PE kit for all students from Pregrade to Form 4. During scholastic year 2019-2020, Form 5 students may still use any navy blue jacket that matches the PE kit. Please note that all PE kit items, excluding the navy-blue padded jacket are marked with our school's logo.

Details about the proper uniform to be worn by Grade / Form and uniform and PE kit items' suppliers are found here below.
